Introduction

My name is Honey. I am married to Jonah. We home school our five children. It is very important to hide God's word in your heart. I have created these Memory Verse Packets to help us learn our memory verses. The more times the children see and hear the Word of God the more it will stick in their hearts. I am very thankful for my parents who helped and encouraged me to hide the word of God in my heart. It has been a source of great strength in times of need.

Blessings

Honey

A Few Ideas...

Here are a few things to keep in mind when you are beginning to learning your memory verses:

Keep it fun.

Keep your sessions short, but have frequent sessions through out the day.

Take the time to look up the verse in the Bible and show the child where it is located.

Read the verse aloud together from the Bible.

Take one of your memory verse cards and use it as a bookmark in the Bible to mark the place where the verse is located.

Print out the posters and place them around your home. Refer your children to them as you are learning the new verses.

Print out the cards and carry them with you. Read them to your children often throughout your day.

When your child has mastered a verse, place a sticker on the memory verse card and also on the memory verse chart.

Keep all the verses you have mastered together in one place so that you can continue to review them.

Ideas for Using the Posters

The memory verse posters are simple text of the verse you are studying. I have kept them simple so the focus is on the scriptures. The memory verse posters can be used in a variety of different ways. They can be printed out and colored in. You can post them up on the walls around your house where you will see them often. You can recite your memory verse every time you see the posters. You could put them into plastic pages and slip them into your binder along side your other work.

Ideas for Using the Memory Verse Cards

There are memory verse cards included for each verse that you will be studying. The memory verse cards can be used in many different ways. Print out the memory verse cards, put them on a ring and carry them in your pocket. Attach a magnet to the back and put them on your fridge (or washing machine). Slip them into your wallet or purse. Put them into your back pack. Put them into a special box. The point is simply to pull them out and read them often.

Ideas for Using the Copywork Pages

The copywork pages can be used in a few different ways. You can copy out the verse each day that you are learning it. To make things more difficult you can fold over the top of the page and try to print the verse from memory. The copywork pages can also be used as journal pages to reflect on the verses you are studying.

Ideas for Using the Puzzles

The puzzle pages are designed to give you a chance to interact with the verses and move the pieces around. These can be printed on colorful paper with a different color for each verse.

Other Ideas for Learning Your Memory Verses

There are many other ways that you can practice your memory verses so that they will stick, but I will just share a few with you.

- 1) See if you can find the scripture in song. You can play the song over and over while you are learning to memorize it.**
- 2) Practice quoting the scripture to your family and friends.**
- 3) Write the verse on the sidewalk in chalk.**
- 4) Learn your verses while bouncing a ball. Bounce the ball back and forth while you recite the verse together. You can each take turns saying a word or simply say all the words together**
